

The XI FIP World Cup Polo Championships will be held in Sydney in just two weeks' time. This is the most significant, high profile and exciting world polo event and is only held every 3 years.

There has been great demand for the VIP hospitality suites and, as a result, we have secured a new exclusive VIP area with a few marquees right on the edge of the international polo field. I wanted to ensure you were aware of this new VIP opportunity, as I am sure you would enjoy the championships and I would love to see you there for this unique and very exciting event.

Entertaining your family, friends, clients or colleagues in one of these exclusive marquees in such a prime location, is, I believe, a very elegant, enjoyable and affordable way to be part of the event. Please do get in touch to reserve your own private marquee for 20 guests before places are booked out.

The games are being held over 6 days at the end of this month (21st / 22nd, 24th / 25th and the finals on 28th / 29th).

The marquee includes a stylish fit out, access to the event for 20 guests, car park passes and event programmes. There are 3 lovely menu offerings to choose from and beverages, including Pommery champagne and Penfolds wines.

If you are interested in promoting your brand as part of your attendance, I am happy to accommodate this request for you, pending availability. Please feel free to ask Emma McCallum for more information; she is contactable via email: emmamccallum@sydneypolo.com or phone: 0420 840 550.

Very best regards
