Australian Polo Association
Mr. Tim Clarke
Chairman

Dear Tim Clarke

Of my highest consideration,

It is my pleasure to contact you in order to express our congratulations upon the success of the "XI Mundial FIP" which was organized by the association that you preside.

We know of the hard work that is to receive a contest like this and we want to highlight the professionalism and the great experience lived by all of us who were part of it. The entire Argentine team emphasized the kindness and good treatment received by all those who were part of the organization. We found a charming city and an organization that made us live some incredible days.

The fields, the awesome level of the borrowed horses and the assistance provided by you during the entire tournament.

I send greetings to all, collaborators, professionals, and staff.

Delfin Uranga
Vicepresidente
