

Add the Polo Rules icon to your phone's Home Screen

For Apple iPhone

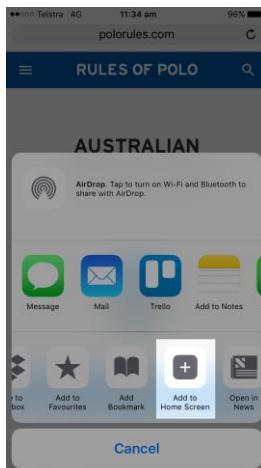

If you know how to **Add to Home Screen**, you can do this now. If not, after a few seconds, a message will appear as shown below, pointing to the *Share* button:

Tap on the *Share* button:

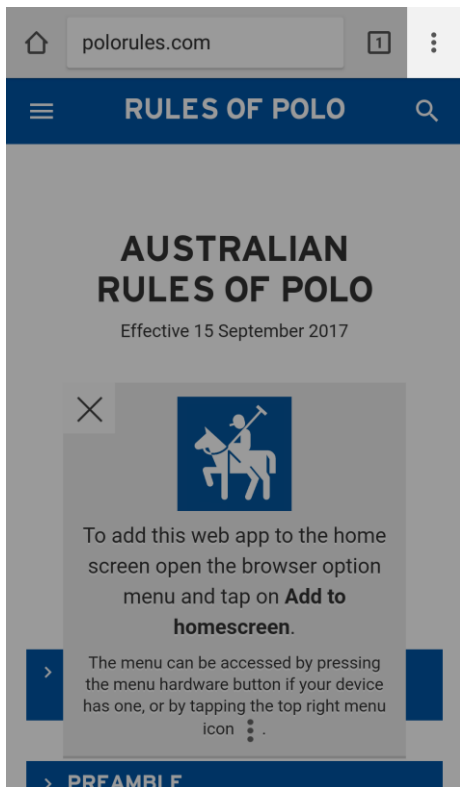

Scroll across to find the **Add to Home Screen** button:

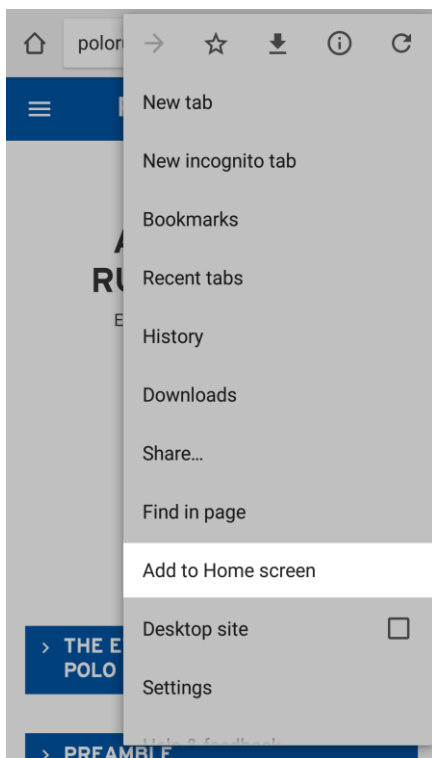

Tap **Add to Home Screen** then hit **Add**

For Android phone

Tap the *Menu* button (3 dots at the upper right):

Tap **Add to Home screen**.

Tap the **Add** button.

RULES OF POLO
